Agenda - VIII

Deal with one doubtful loan against term deposit in SBI, Agartala branch

An observation was placed before the Apex Council that while making the EPF payment through online on 12/03/2024 from State Bank of India, Agartala branch, which was pending for last 05 months view on CD account made by Shri Diptangshu Chowdhury who deals with the Tally software, it has been revealed that one loan account number 00000042108974720 was created on 24/07/2023 for an amount of Rs. 28,80,00,000/- and some other linked transactions. Shri Pradip Kanti Sen, Accounts Manager of TCA (retired) is only the resource person who deal with operation parameters of taking loan, interlinked transaction, CD account or other accounts under Account section of TCA, was asked to clarify the matter but he had verbally intimated that he had no knowledge about this loan.

Thereafter, a team consisting of Shri Tapan Lodh, Honorary President, Shri Basudeb Chakraborty, Honorary Treasurer, Shri Tanmay Mitra, Office Manager (presently In-charge of Accounts section as an additional responsibility) and Shri Pradip Kanti Sen, Accounts Manager of TCA (retired) had moved to SBI, Agartala branch and it was gathered that Shri Tapash Ghosh, previous Secretary and Shri Joylal Das, previous Treasurer of TCA had taken a demand loan from FD on 24/07/2023 on a justification of the requirement of immediate expenditure of liabilities. The rate of interest for that FD was 6.75% where the interest against the demand loan was 7.75%. Practically it has been observed that this loan was utilized for payment for a small amount during the last 7-8 months. TCA has some small sized FD which would be matured in the next 4-5 months in other banks. Trend expenditure during the next 4-5 months can be met from funds available from those matured FDs.

Therefore, it has been resolved that the loan account may be closed. It has been noted that the loan has been requisitioned & sanctioned without obtaining authorities from Apex Council or General Body as per the provision of the Memorandum of Association and Rules & Regulations (amended 2023) of TCA clause number 7(5) (f).

Shri Tapash Ghosh should have restrained himself from taking step for such huge investment plan. The General body had further taken decision on 20/07/2023 for directing the Secretary, Vice-President and Treasurer to refrain from coming to office till a special investigation team (SIT) starts its functions on certain allegation against them. Further, Shri Tapash Ghosh was decided to be declared as functus officio in the General body resolution on 20/07/2023. Official processing for the loan was not found.

Therefore, it was resolved that any loss of TCA in this loan investment should be ascertained by an expert professional. Shri Tapash Ghosh and Shri Joylal Das should be appropriately fixed with responsibilities against loss and unauthorized exercise of power. The bank authority had already been provided with a copy of Memorandum of Association and Rules & Regulations (amended 2023) of TCA. It should not have accepted that the loan requisition from signed by Shri Tapash Ghosh and Shri Joylal Das as Secretary and Treasurer without having support of Apex Council or General body decision.

A communication from TCA should be made to appropriate Bank authority for reporting against this apparent mis-exercise on the part of the bank.
