**Agenda - II**

BCCI has given advice to discourage private banks for business. Private banks generally provide higher interest which is financially beneficial for an institution.

Nationalized banks also have different rate of interest.

TCA being a state organization, it has some responsibility for encouraging the state sponsored banks.

TCA has long relation with some banks.

**Considering all these aspects, it has been RESOLVED THAT,**

- To continue the present level of investments with the private banks i.e. Axis bank, HDFC bank, YES bank and Bandhan bank.
- An investment to the extent of INR 15:00 (fifteen) crores for each of the state sponsored banks, the Co-operative bank and Tripura Gramin bank.
- Deployment of deposits in Nationalized banks will be considered on the basis of the interested banks and their offered rate and also considering the performance/service of the existing banks also, so as to minimize the monopoly dependency on single bank.

There being no other further business and/or no content to discuss,

The meeting ended with vote of thanks from the chair to the participants.
